Say "I Do!" At

The Whitehall Castle

In Collaboration with Equality Events Co.

Congratulations!

Congratulations on your engagement and your upcoming wedding!
We thank you for the opportunity to introduce The Whitehall Castle,
one of the most unique and historic wedding venues in the Adirondacks!

The Whitehall Castle boldly stands in the heart of Whitehall, NY. This 1899 military structure was designed by State Architect Isaac G. Perry for the New York National Guard. This impressive 37,000+ sq ft. building's design was inspired by European medieval castles and was actively used until roughly 2009. At that time, it was sold at auction to a private owner. Today it serves as a landmark, reflecting the town's rich military history and also serves as a unique special event space!

The Whitehall Castle has been privileged and honored to host many weddings, ranging from smaller intimate events of 50 guests, to larger more elaborate weddings of over 300 guests!

Our seasoned and dedicated team will work closely with you every step of the way, assuring that your special day is top notch and hassle free. What sets us apart is our creativity, our passion for what we do, and our willingness and eagerness to see your vision come to life! Say goodbye to cookie cutter weddings and say hello to the day you've been dreaming of... and in a fairytale castle!

Let us know what we can do for you!

Warmest Regards,
The Whitehall Castle Staff
